BRIEFING CHECKLIST Items shall be verbally confirmed by the Flight Instructor with the trainee prior to each training flight.		
CATEGORY	ITEM / SUB-ITEMS	DONE
1. AIRCRAFT & DOCUMENTATION		
Aircraft Status	Aircraft Location & Readiness <i>Parked position confirmed · Tie-down / chocks removed · No damage or defects observed</i>	☐
	Technical Documents <i>Certificate of Airworthiness · Certificate of Registration · Radio Station Licence · Insurance · Flight Crew Licence</i>	☐
	MEL & Maintenance <i>MEL reviewed · No open deferred defects affecting flight · Last maintenance release confirmed</i>	☐
Fuel & Oil	Fuel Uplift Verified <i>Required fuel calculated · Actual uplift confirmed · Reserve fuel sufficient · No fuel contamination</i>	☐
	Oil Level Checked <i>Oil quantity within limits · No leaks observed</i>	☐
Weight & Balance	W&B Calculation Completed <i>Passenger / baggage weights accounted · C of G within limits · Max TOW not exceeded</i>	☐
2. WEATHER & NOTAM		
Weather	METAR / TAF Reviewed <i>Departure, en-route, and destination weather obtained · Ceiling and visibility within minima</i>	☐
	SIGMET / AIRMET Checked <i>No significant meteorological conditions affecting route · Turbulence, icing, or CBs noted</i>	☐
	Winds Aloft <i>Wind at cruising level noted · Crosswind component within aircraft limitation</i>	☐
NOTAM	NOTAM Review Completed <i>Departure aerodrome · En-route · Destination · Alternate (if applicable)</i>	☐
	TFR / Restricted Areas <i>No TFR along planned route · Restricted airspace annotated on nav log</i>	☐
3. FLIGHT PLANNING		
Navigation	Navigation Log Completed <i>Route waypoints entered · Headings & distances calculated · Frequencies entered</i>	☐
	Altitude & Airspace <i>Planned altitude reviewed · Airspace class noted · VFR cruising altitude rule applied</i>	☐
	Fuel Planning Confirmed <i>Trip fuel · Reserve · Alternate (if applicable) · Total required vs. available</i>	☐
Flight Plan	ICAO Flight Plan Filed (if required) <i>Filed at least 30 min before departure · Time activated before departure</i>	☐
